Dear Neighbors,

I would like to start this letter with some very colorful comments about this relentless winter. However, since The Rose is a family publication, I will withhold my real feelings about the Polar Vortex and move on to other subjects. In the next few weeks, potholes and broken water mains may occur as the snow melts and then refreezes. If you see a pothole on your street, please call (708) 343-5128 and if you witness a water main break, call (708) 531-5347.

And now, I would like to dedicate a few sentences to our village website, which can be accessed at www.melrosepark.org. The website, which is currently being updated, is full of important information about village services and community events. We even recently added a tab that when clicked allows you to translate the site into 76 different languages. The website also welcomes any information or announcements that your local youth, senior, church, school or athletic organization wishes to post. Please e-mail your information to hondo1949@gmail.com.

Getting back to the weather, there has been a lot of talk lately about the biggest snowfall, the coldest day, and so on, which for some reason led me to start thinking about other stand out moments in time, which in turn led me to think about a very unique group of people in history. And that, of course, is that special generation, born between 1901 and 1925, which we have come to celebrate as America’s “Greatest Generation.”

This is the generation who survived the Great Depression by going without and working hard so their children could have more. This is the generation that sent 16 million of its finest men and women during World War II to defeat the most evil of tyranny. And when they were finished, they came home, went to work, raised the “Baby Boomers” and made the United States the greatest country in the world.

Unfortunately, in the last few years I have had the sad duty of attending many wakes of people from this generation, including many of our very own Melrose Park neighbors (the 2010 census listed approximately 500 Melrose Park residents in this age group). And so, before the last of this generation fades into our memories, I would like to take this opportunity on behalf of Melrose Park to express our deep gratitude to America’s “Greatest Generation”... you bore your battle-scars in silence, never asked for special recognition, and never called attention to your achievements. You dared to dream big and took us to the moon. And because you dreamed, your children were inspired and took a trip to Mars, invented laptop computers, cell phones and so much more. But most important, you deeply believed in the future of America and the promise it held for your children and your grandchildren, and it is for this reason, above all else, that we say, thank you, thank you, thank you!

Ronald M. Serpico

Dear Mayor Serpico...

We would like to extend our heartfelt thanks to you again this year in helping to make our annual Misericordia fundraiser “Blast from the Past” such a huge success!

We also want to recognize the wonderful staff that helps us each year to organize and set up the Senior Center where the event is held. They are always willing and ready to help us with a smile!

Many thanks to all and may God bless you for your kindness!

Thank you for coming to the event. We hope you enjoyed it.

Sincerely,

Jo and Tom Halleran, and Misericordia

Dear Police Chief Sam Pitassi...

I can’t thank you enough for allowing Sgt. Rieger to invite me to the Law Enforcement Response to School Violence Presentation.

Also, I want to thank you on behalf of Sacred Heart School for your help and support with the wonderful and informative safety PowerPoint presentation Officer Pretzie and Sgt. Rieger provided for our faculty.

Keeping our students and staff safe is a top priority at Sacred Heart School with your help.

Sincerely,

Dear Mayor Serpico, Chief Beltrame, Chief Pitassi and Chief Schwartz...

The DiFazio-Stolfe family wish to express our deepest gratitude to you and your departments. Uncle Fred was a quiet man who fully supported all of you and your departments. We are grateful for the professionalism and compassion the department demonstrated to our loved one. The people of Melrose Park should be proud of how well these departments respond to such an emergency. His life was taken too soon but “Uncle Fred’s” legacy will live on.

We do not have the words to adequately thank all of you.

The DiFazio-Stolfe Family

Dear Police Chief Pitassi...

Recently, the Oakbrook Terrace Police Department responded to Commonwealth Edison, 2 Lincoln Center, for reports of shots fired.

As responding units arrived on the scene, numerous employees were evacuating the building.

Incident Command was set up and immediate assistance was requested from your department as well as an ILEAS activation.

A thorough search had to be conducted of the entire 11-story building. Your officer’s quick response and professionalism displayed throughout this entire incident was extraordinary.

Please extend my gratitude and appreciation to your officers that responded and assisted us on that day.

Respectfully,

Wayne E. Holakovsky, Chief of Police
Oakbrook Terrace
Dear Melrose Park Fire Department...
On behalf of Ronald McDonald Children’s Hospital, I would like to thank you for your donation of toys. We cannot express enough how thankful we are for your donation. We appreciate you considering Ronald McDonald Children’s Hospital in your gift giving. Your donations help with our hospital program as well as brighten many children’s faces. Nothing is better than receiving a new toy to enjoy while being hospitalized.

The Child Life Program of Ronald McDonald Children’s Hospital offers diversional and therapeutic activities for the inpatient families each day in the playroom, teen room and also at bedside. Through the Child Life programming, it is our goal to provide opportunities for pleasure and comfort for our patients. We utilize toys in order to help normalize the hospital experience and to keep up with education while hospitalized.

Your involvement continues to provide an increase in our patients’ comfort levels. We are grateful for all of your efforts towards this special donation. I hope to continue contact for future toy donations to serve the pediatric patients and families at Ronald McDonald Children’s Hospital.

• Much gratitude,
  Megan Gertz, Child Life Specialist
  Ronald McDonald Children’s Hospital

Dear Police Officer Frank Nocita...

Dear Melrose Park Trustee Arturo Mota...
It is hard to find adequate words to thank you for such a generous act of kindness.

Our Library is in need of books and you are making it your personal mission to raise funds to purchase those books for the benefit of all of our students.

With the funds you have already sent, I was able to order many of the titles the students are eagerly awaiting.

Thank you for your kind and generous consideration!

• Sincerely,
  Shoshana Fiala, Librarian, Proviso Math and Science Academy

Dear Mayor Serpico...
Thank you for the wonderful Thanksgiving dinner.

All the people involved in preparing and delivering these great meals each year are very special.

• Grateful,
  Mary

Dear Police Chief Pitassi...
As you know, the Cook County Sheriff’s Office recently suffered the tragic loss of Investigator Cuauhtemoc Estrada.

The outpouring of support for our department members and the Estrada family from law enforcement agencies both locally and nationwide has been overwhelming and very much appreciated. I personally want to thank you for your support at the funeral services for Investigator Estrada.

During this somber time, it is both a comfort and a blessing to have the presence and representation of our brothers and sisters in law enforcement. Thank you again.

• Most sincerely,
  Thomas J. Dart, Sheriff of Cook County

Dear Fire Chief Beltrame...
Just would like to commend you on the two professional and courteous EMTs that assisted me following an accident I was involved in recently.

Their names were Francisco and John.

Otherwise known as the best in the business!

I have been able to resume a fairly happy, healthy lifestyle because of their quick thinking and excellent training.

Please understand that I am prone to panic attacks and was seconds away from a full blown episode prior to their arrival on the scene.

Please give them my best regards.

• Respectfully,
  Arnita Rudd

Dear Police Chief Pitassi...
On the evening of Wednesday, Jan. 8, my neighbor came to my door in great distress. He was half frozen and in danger of dying. He had frostbite on his feet and black patches on his fingers and hands. He was short of breath and couldn’t remember his own address.

I called your station and Officer Scarpelli came out. He was a godsend in dealing with the situation. He directed the paramedics to the place that would give my neighbor maximum aid. He was determined that my neighbor would receive all the help he desperately needed.

Officer Scarpelli saved my neighbors life and he should be recognized for his outstanding service.

• Kind regards,
  Maryann Stollard

Dear Fire Chief Beltrame...
As we begin a new year filled filled with hope and possibilities, I want to personally express my gratitude for the Melrose Park Fire Department’s continued support of Ronald McDonald Children’s Hospital at Loyola University Medical Center.

It is the continued generosity of you and other members of our family of philanthropy that enables us to fulfill our mission to go beyond the illness and also treat the human spirit.

Our healing mission is alive and well because of your spirit of giving. It is our tradition here at Loyola to help fulfill the wishes of our youngest patients and to help their families get through the tough experience of pediatric illness or injury. Your charitable gift of toys to the Child Life Program provides these children with necessary distractions during their hospitalization. Your generosity allows them to do what they do best … play!

I appreciate your partnership and, on behalf of the countless patients and families who will benefit from your kindness, thank you.

I wish you many blessings for the year ahead.

• Gratefully,
  Sallie Hazelrigg, Vice President, Office of Development
  Loyola University Health System

Dear Mayor Serpico...
I am writing to express my deep appreciation for the firefighters from Melrose Park that came to the assistance of the Town of Cicero Fire Department on Tuesday, Jan. 21, 2014.

While it is common to send mutual aid in fire call, this was an extraordinary 4-alarm blaze that drew upon the resources of many surrounding communities. As Cicero town president, I was proud to see the firefighters from the region standing together. The fire could not have been battled successfully without the support of the Melrose Park Fire Department.

It’s said you discover your true friends in times of crisis. When the Cicero Fire Department faced not one, but two blazes in close succession, your department came to our aid. Thank you very much for your assistance.

• Sincerely,
  Larry Dominick, Town President
  Town of Cicero
Mayor Receives Franco Cumella Friendship Award

On Thursday, Feb. 13, Mayor Serpico was honored by the National Italian American Sports Hall of Fame and named this year’s recipient of the Franco Cumella Friendship Award.

The award, presented at the Rocky Marciano Amateur Boxing Tournament at the NIASHF Taylor Street facility, was established in 1984 to recognize an individual who has demonstrated leadership qualities in bringing people together in a charitable cause. The award was rededicated in memory of Mr. Salvatore Franco and Charles Cumella in 1998 for their long-time belief and support in the NIASHF.

Preckwinkle Appoints Serpico to Transportation Committee

Cook County Board President Toni Preckwinkle recently appointed Mayor Serpico to serve on the Long Range Transportation Plan Advisory Committee.

The Department of Transportation and Highways is leading the development of Cook County’s first long-range transportation plan since 1940. The goal is to create a comprehensive and integrated plan for the county that strengthens the transportation system that is the backbone of our economy by addressing all forms of transportation be they roads, public transit, freight rail lines, sidewalks and bike paths, and by proposing county improvements that build upon and leverage investments by other governmental entities.

The mayor’s role will be to advise the Board of Commissioners of Cook County on the transportation issues confronting the county now and in the future and help redefine goals so transportation improvements will contribute to the county’s economic viability for generations to come.

Melrose Park Mayor Ron Serpico endorses

Kathleen Willis

Democrat for State Representative

Providing Property Tax Relief
To help reduce financial burdens on families, Kathleen Willis is fighting against property tax hikes, and she supports greater relief for local homeowners and seniors to save them more of their hard-earned money.

Tax Fairness
Kathleen thinks it’s wrong that multi-millionaires pay the same in taxes as middle-class families. She supports giving tax breaks to middle-class families while making the highest earners pay more so they pay their fair share.

Fighting for Better Wages
To help struggling families and put them on a path to a living wage, Kathleen supports increasing the minimum wage in Illinois to $10 an hour.

Vote for Kathleen Willis on Tuesday, March 18.

Gov. Pat Quinn Commends RSVP for Coordinating Free Tax Preparation Services in the Area

The Retired Seniors Volunteer Program (RSVP) of West Suburban Cook and Southern DuPage Counties, sponsored by Triton College in River Grove, once again is offering the Internal Revenue Service’s Tax Counseling for the Elderly (TCE), a free program for individuals age 60 and older from low- to moderate-income households.

RSVP’s partnership with the IRS to provide this program was recently recognized by Gov. Pat Quinn at a press conference on Jan. 16 at Harold Washington College, where he praised the program for being an example of how Illinois families and individuals can save money on their tax preparations.

RSVP has been providing the TCE program for more than 20 years within the surrounding area. Volunteer tax assistants, who oftentimes vary in age, are specially trained to help senior citizens complete federal and state income tax forms, which are then submitted electronically once completed.

Individuals age 60 and older from low-to moderate-income households can take advantage of the free service offered from now through April 12. Assistance will be provided at various locations throughout the community, including the Melrose Park Public Library on Mondays, the Elmwood Park Senior Center on Tuesdays, Proviso Township Office in Hillside on Wednesdays, the Leyden Township Carl Fiorito Center in Franklin Park on Thursdays, the Senior Assistance Center in Norridge on Fridays and in the Robert M. Collins Center on Triton College’s main campus in River Grove on Saturdays.

Those seeking assistance should call the RSVP Office at (708) 456-0300, Ext. 3895, from 9 a.m. to 3 p.m., Mondays through Thursdays and 9 a.m. to 1 p.m. on Fridays, to make an appointment. Participants are asked to bring their photo identifications, W-2 forms from all employers, Form 1099s (interest statements from banks), a copy of last year’s tax return and any other relevant tax information.

For more information on tax assistance and to schedule an appointment, call (708) 456-0300, Ext. 3895.

Our Lady of Mt. Carmel Parish Archive Needs Your Help

In January 2012 the Parish of Our Lady of Mt. Carmel announced a historical event: the formation of a long overdue parish archive. The mission in creating a parish archive was fourfold:

1) To locate whatever available documents and memorabilia was left by previous generations, with the hope of uncovering outright treasures from the past, or usable data to build upon.

2) To evaluate, catalogue, and preserve all that is donated by individual parishioners, by the various parish societies and organizations, by the public, and by former parishioners that have moved out of town.

3) To facilitate and encourage the documentation of significant parish events of the present, for many of the records created and maintained today will become our historical collective memory of tomorrow.

4) To eventually create a permanent historical exhibit for all to enjoy.

Due to the fact that there existed no assigned and secure space to serve as a depository to encourage the preservation of material documenting the development of our parish, very little remains for us of its early years. Most likely, after the owners of the treasured documents departed, the bulk of their material was discarded by those that survived them. Let us act today, and keep this unfortunate scenario from taking place tomorrow.

The success of our archive depends on how much interest, assistance, suggestions and material our parishioners are able to provide. And while your participation is critical to the new archive by donating material that you own, and in seeking material from people that you know, it does not require a lot of your time, nor does it require long-term involvement. Convince others that now, for the first time, we can assure everyone that what they donate to the parish archive will be as safe as it has been in their own home, and will remain so for generations to come. This is a time of commitment for all of us to record the history of our parish going back to the arrival of the revered Our Lady of Mount Carmel statue in 1894, the erection of a wooden chapel at 908-910 N. 24th Avenue in 1895, followed by its designation as the official parish church of Melrose Park in May 1903.

Postponing doing something usually results in its demise; therefore you need to act promptly. You need to consider the historical value of this initiative and participate with dedication and determination. How can you help? Examine those forgotten cardboard boxes residing in closets, basements and attics for any type of memorabilia, correspondence, printed material, newspaper articles, old church bulletins, photos, slides, film, videos, old certificates, flyers of past events, etc. Also, seek relevant information such as the names and dates of members of the various parish societies and organizations, the names of our pastors and clergy, and the names of the nuns and priests who actually were born in Melrose Park and graduated from our grammar school. And most importantly, information relating to the genealogy of our predecessors who played a pivotal historical and religious role in the history of our parish, such as relatives and families of the foundress of our church, Emanuela De Stefano; this would be invaluable.

To help, you need to put down on paper what you yourself remember and what you have heard from your parents and older relatives, for in doing so you will honor their memory. Another way of seriously committing to help would be to contact your friends and relatives, including those that have moved out of town, and who might still be coming back to participate in our yearly Feast. Tell them about our new archive, give them this article and ask them if they have anything to donate, such as pictures that captured events in our 1908 church, such as feasts and weddings or items salvaged when the church itself was demolished in 1966. Perhaps you can convince them to put in writing details or simple personal stories, recalling what they remember or heard of the early Feasts, our nuns, priests and pastors, our churches, rural Melrose Park or what they recall hearing from their parents and older relatives. Recording verbal information from those older than you might open new windows into forgotten areas. If so requested, the archive can make copies of material that people entrust to us and we can then return the originals to the owner; please do not write on the originals, rather make all notations on a separate piece of paper.

Handwritten contributions need not be in some elegant format, nor do they have to read like a novel; they simply need to be informative and legible. Your story could relate to something quaint or something important. It could describe segments of your personal story growing up and maturing in Melrose Park or recall the early years of our parish that you heard from your grandparents. But this is a task that cannot be done effectively in one sitting.

For those managing and sustaining the archive, their involvement and work has no end. You can help them by looking for dormant material, but also by providing information obtained through actual personal research, by interacting with others that you know and by offering relevant suggestions and information. They are counting on you.

This archive initiative is not a one- or two-person effort. It requires the cooperation and help of others, especially older parishioners who might be able to provide material and information essential in writing our unique story — a story born out of strong ethnic traditions and profound devotion to La Madonna del Carmine, which has remained undiminished for the past 120 years. The driving force for all of us is the unwavering devotion to the Mother of God, a personal tribute to our immigrant ancestors and a desire to lay out a path for the next generation to follow.

The archive is managed by our parishioner, Victor Nicodemo. You can reach Victor at (708) 681-3818. Also, you can mail or hand-deliver documents to the parish rectory in a manila envelope identified as “OLMC Archive;” please include your name, address and phone number. We thank you for any help that you can provide.

Proviso and Loyola Health Aid Uninsured in Maywood and Melrose Park

Communications Campaign to Inform Residents

Proviso Township Mental Health Commission (PTMHC) has partnered with Loyola University Health System (LUHS) to reach out to residents in Maywood and Melrose Park to offer help understanding and enrolling in the new health care program, the Affordable Care Act, also known as Obamacare. Door hangers will be distributed providing residents with basic information about where to turn for help.

“We know there are residents in Maywood and Melrose Park whose health and well-being will be enormously improved if we can get them to enroll in insurance or Medicaid,” said PTMHC Executive Director Jesse D. Rosas. “Our ‘assistors’ are trained and certified and can be trusted.”

The PTMHC and lead agency Healthcare Alternative Systems won a state grant to help enroll residents in either Obamacare or Medicaid. Because PTMHC already has trained assisters, the new partnership with Loyola will make it easier for uninsured patients to learn more about the Affordable Care Act.

“One of the main things that people tell us when they contact PTMHC is that they didn’t know where to turn for more information on the new law,” said Rosas.

LUHS is supporting the program to help educate the community and its patients who may be uninsured or uninformed about the Affordable Care Act. “Some people may not realize that there is a tax penalty if you don’t register by March 31,” said Armand Andreoni, director of Community Benefit, at LUHS. “This penalty doesn’t apply to everyone but we want people to know and how they can get information and assistance.”

The door hangers will be distributed in Maywood and Melrose Park this month. They will include basic information, a phone number, an e-mail address, how to schedule an appointment and what documents will be required.

“We’ve learned that making an appointment first makes a big difference,” said PTMHC Board President and Township Supervisor Michael Corrigan. “We want to make the process as user-friendly as possible.”

Individuals looking for more information about the Affordable Care Act can call (708) 240-4435, e-mail affordablecare@ptmhc.org, or go to ptmhc.org.

Presence Villa Scalabrini Team Brings Smiles

The team Presence Villa Scalabrini Nursing and Rehabilitation Center, in Northlake, make every day count for long-term nursing residents, short-stay patients, and community members.

On Feb. 12, eight Villa Scalabrini employees donated their time to Feed My Starving Children, a Christian nonprofit organization that provides nutritionally complete meals for starving, malnourished, and hungry children in nearly 70 countries. The Villa Scalabrini team helped pack 90 boxes of dry meals to be sent to Somalia. Those efforts will help feed 53 hungry kids for a year!

Villa Scalabrini resident, Nicholas Zamora, helped make Valentine’s Day 2014 a day to remember. With supplies and candy donated by staff and family members, Mr. Zamora took weeks to hand make a giant heart piñata featuring dozens of tissue paper flowers to pluck during the annual Valentine’s Day Party.

In Memory of Richard L. Tortorella

Richard Leonardo Tortorella was born to Florence and James Tortorella on Aug. 11, 1928, in Melrose Park, Ill. He passed away on Dec. 21, 2013, at his villa in Dunnellon, Fla.

Richard attended Our Lady of Mt. Carmel and became an alter boy serving through grade school. After high school he graduated from cosmetology school studying in the U.S. and Europe. He won many trophies, he won the coveted “Golden Venus” trophy He knew he hit the big time as well as winning the best in national and international competition. His businesses in Elmwood and Glen Ellen were well known as Leonardo’s, catering to the best in hair design for their clients, magazines and theatre for 38 years.

Richard, every year for many years, would redesign the hairstyle and dress the lady Madonna and child at the Our Lady Mt. Carmel Church in Melrose Park, Ill.

In 1985, after retiring, Richard and his partner, Bill, moved to Dunnellon, Fla., and built their villa in Rainbow Spring. We will miss Richard’s charm, gracious hosting and smiling face.

He is survived by his partner of 35 years, Bill Hunt, and his precious doggie, Little Girl. May you rest in peace Richard.
