**WHEREAS**, the Village of Melrose Park, County of Cook, State of Illinois (the “Village”) is a duly organized and existing municipality and unit of local government created under the provisions of the laws of the State of Illinois, and is operating under the provisions of the Illinois Municipal Code, and all laws amendatory thereof and supplementary thereto, with full powers to enact ordinances and adopt resolutions for the benefit of the residents of the Village; and

**WHEREAS**, the Village President (the “President”), the Honorable Ronald M. Serpico, the Village Clerk, the Honorable Mary Ann Paolantonio Salemi, and the Board of Trustees of the Village (the “Village Board”), the Honorable Cathleen Cossident Italia, Anthony J. Prignano, Arturo J. Mota, Mary Ramirez Taconi, Jaime Anguiano and Anthony N. Abruzzo, having taken office on April 30, 2009, constitute the duly elected, qualified and acting officials of the Village; and

**WHEREAS**, previously, the Corporate Authorities determined that it was in the best interests of its residents to improve the water main on 25<sup>th</sup> Avenue in the Village (the “Project”) and entered into a contract with Cerniglia Co. to complete the Project (the “Agreement”); and

**WHEREAS**, the Village employed the Edwin Hancock Engineering Company (the “Engineer”) to provide construction engineering services for the Project; and

**WHEREAS**, the Corporate Authorities have been advised that, among other things, the following unforeseen events occurred during the completion of the Project, which increased the cost of the delivery of the Project and changed the time for the delivery of the Project: (a) an increase in the cost of the joint restraints and gaskets used in the Project with the purchase of higher quality materials to prevent the possible corrosion of the water mains due to the discovery of previously unknown contaminants in the area (“Change Order No. 1”); (b) an increase in the cost of unit prices for required materials to complete the Project due to increases in the prices for such materials during the extended time required to complete the Project (“Change Order No. 2”); and (c) excavation, backfill and restoration costs due to a required change in the location of a water main connection due to the discovery of conflicting gas mains and telephone ducts (“Change Order No. 3” and with Change Order No. 1 and Change Order No. 2, the “Change Orders”); and

**WHEREAS**, certain changes in the original contract documents are required due to the aforementioned unforeseen conditions; and

**WHEREAS**, the terms of the Change Orders are particularly set forth in Group Exhibit A, attached hereto and incorporated herein; and

**WHEREAS**, the Engineer has recommended that the Village effectuate the Change Orders as set forth in the recommendation (the “Recommendation”), attached hereto and incorporated herein as Group Exhibit B; and

**WHEREAS**, based on the information contained in the Recommendation, the Corporate Authorities determined and do hereby determine that the Change Orders were unforeseeable at the time the Agreement was entered into; and

**WHEREAS**, predicated on the Recommendation and in accordance with Section 33E-9 of the Illinois Criminal Code of 1961 (720 ILCS 5/33E-9), the Corporate Authorities have heretofore determined and do hereby determine that: (a) the circumstances necessitating the changes set forth in the Change Orders were not reasonably foreseeable at the time that the Agreement was executed; (b) the changes are germane to the Agreement as signed; and (c) effectuating the terms of the Change Orders is in the best interests of the Village and is authorized by law; and

**WHEREAS**, a request for payment has been made to pay down outstanding costs and expenses on the Project (the "Request for Payment"); and

**WHEREAS**, the Request for Payment containing language recommending approval of the Request for Payment is attached hereto and made a part hereof by this reference as Exhibit C; and

**WHEREAS**, due to the findings set forth in the Recommendation, the Corporate Authorities determine that the Change Orders are authorized by law, are advisable and in the best interests of the Village and its residents, are necessary for the proper completion of the Project and are in accordance with the intent of the original construction documents and the previous findings of the Village Board and thus, the Request for Payment should be granted; and

**WHEREAS**, the Corporate Authorities, based on the aforesaid recommendations, have heretofore determined and do hereby determine that approval of the Change Orders and the Request for Payment is authorized by law, as well as necessary, advisable and in the best interests of the Village and its residents and are in accordance with the Agreement; and

**NOW, THEREFORE, BE IT ORDAINED** by the Village President and the Board of Trustees of the Village of Melrose Park, County of Cook, State of Illinois, as follows:
