

Come One, Come All: What's Happening at Triton College this Semester?

As always, Triton College aims to engage members of our communities by offering on-campus events that will suit a variety of interests. We look forward to seeing you on campus soon!

Here is a list of events happening at Triton this semester (dates and times subject to change).

RSVP Underwear for Veterans Collection Drive

Now-Nov. 11, 8 a.m.-5 p.m., Monday-Thursday, and
8 a.m.-noon on Friday, Drop Off in Room R-221 (R Building)

The Retired and Senior Volunteer Program (RSVP) of West Suburban Cook and Southern DuPage Counties is collecting new underwear for veterans at Hines VA Hospital in honor of Veterans Day on Nov. 11. RSVP is collecting new undershirts in sizes L, XL, XXL, and larger, as well as new underwear also in sizes L, XL, XXL, and larger. All items must be provided in sealed packages. For more information, call the RSVP Office at (708) 456-0300, Ext. 3603, or email kayfrey@triton.edu.

Triton College Job Fair

Thursday, Oct. 27, 11 a.m.-2 p.m.,
Student Center Cafeteria (B Building)

Employers from various industries will be on campus recruiting for full-time, part-time and internship positions. Some will conduct on-site interviews. This job fair is open to students, alumni and community members. It is free to attend. Professional dress and a resume are strongly suggested. For more information or assistance with resumes, contact (708) 456-0300, Ext. 3789.

Free Robotics for Youth Program

Saturday, Oct. 29, Noon-3 p.m.
A Building, Library, Room A-321

All girls and boys are invited to Triton College as robots take over the campus. Expert builders from Triton's Engineering Technology Department will be on hand to help attendees build a working Lego robot that will move in ways kids never imagined it could. Families are encouraged to arrive at noon to ensure they have a robot to work on. All materials are provided free of charge. While kids are building their robots, other family members can learn more about Mechatronics (robotics), one of Triton's newest programs. No registration is required, but space is limited and will be based on first-come, first served. For more information, call (708) 456-0300, Ext. 3698.

BIG LOVE (Theatre Performance)

By Charles L. Mee

Directed by
Andrew Gallant

Dec. 2-4 and 9-11

Fridays and Saturdays – 7:30 p.m.

Sundays – 2 p.m.

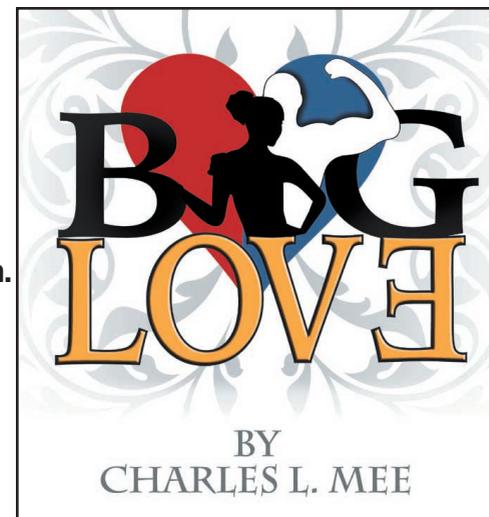

Cox Auditorium –

Fine Arts Building

(J Building, Room J-108)

\$10 General Admission

\$5 Students, Faculty/Staff
and Seniors

Based on the ancient Greek play, *The Danaids*, *Big Love* tells the madcap story of 50 brides who flee their 50 grooms. The ensuing battle royale of the sexes involves helicopters, pop songs, dancing and murder. *Big Love* is disarmingly funny, hip and a dazzlingly theatrical exploration of the power of love.

Music Concerts

All music events listed are free admission.

For more information about music concerts or to reserve tickets, please call (708) 456-0300, Ext. 3506, or email music@triton.edu.

Robert M. Collins Center (R Building, Room R-218)

In this faculty recital, Josh Hernday performs classical and contemporary works written for horn, and guitar faculty member Tim Burns performs jazz works supported by his quartet. Join us for a reception in the lobby following the event!

Report Ranks Triton Graduates Among Nation's Top Earners

A new national report shows that students are parlaying the high quality, affordable education they receive at Triton College into some of the highest paying careers in the nation. The recently published *2016/2017 Payscale College Salary Report* ranks Triton College as the 25th best two-year college in the country in terms of producing the highest-paid graduates.

According to the survey, which ranks nearly 400 two-year schools, Triton graduates reported earning an early career (0-5 years experience) median salary of \$37,500 and a mid-career (10 plus years experience) median salary of \$63,400 annually. The survey ranks Triton College first among all community colleges in Illinois.

Topping the list of highest paid professions of Triton graduates is registered nurse, earning an average hourly rate of \$30.64.

Other professions of Triton graduates included in the survey and their national rates are as follows: respiratory therapist – \$29.63; licensed practical nurse (LPN) – \$28.29; surgical technologist – \$20.80; certified surgical technologist (CST) – \$21.87; automotive technician – \$25.50

Triton's state-of-the art equipment and facilities, innovative programs and dedicated faculty give graduates the edge when entering the workforce.

For example, the next generation of health care professionals are learning their craft in Triton's new Health and Sciences Building, which opened in 2015. Classrooms feature training equipment similar to what is used at top hospitals and medical schools. Ultrasound simulators that provide hands-on experience and a virtual dissection table that helps anatomy students better understand the inner workings of the human body are some of the features of the new facility.

Triton's School of Health Careers and Public Service Programs is helping students interested in entering the fields of ophthalmic technology, surgical technology, diagnostic medical sonography, nuclear medicine, nursing and more.

Triton offers a wide variety of programs fit to suit students aspiring to enter other high earning potential fields as well.

This fall, Triton's launched a new Cybersecurity and Information Assurance AAS Degree Program that is equipping students with skills that will help them protect businesses and organizations against cyberattacks. According to the U.S. Bureau of Labor Statistics, security analysts earned almost \$89,000 per year on average.

Triton's renowned Hospitality Industry Administration (HIA) Program features a newly renovated Hospitality Demonstration Kitchen and Bistro, which is helping students pursue careers in culinary arts, as well as restaurant management and hotel management.
