Gottlieb Memorial Hospital presents

Community Lecture Series

Palliative Care and Hospice

Thursday, February 9

Noon – 1 pm

Speaker: Wilfredo Jose Romero Ubillus, MD

Dr. Romero is medical director of Gottlieb's palliative care program, a holistic approach that responds to the needs of body, mind and spirit during serious or advanced chronic illness.

Diabetes

Thursday, September 14

Noon – 1 pm

Speaker: Howard L. Einhorn, MD

Dr. Einhorn has been an active member of Gottlieb since 1979, specializing in internal medicine and diabetes.

Your Heart

Thursday, May 11

Noon – 1 pm

Speaker: Amir Darki, MD

Dr. Darki is chair of the department of cardiology, specializing in interventional cardiology. Dr. Darki treats conditions and diseases of the heart using minimally invasive techniques.

Prostate Cancer

Thursday, November 9

Noon – 1 pm

Speaker: Laurie Bachrach, MD

Dr. Bachrach specializes in urology, providing advanced treatment options and care for patients with prostate cancer.
