Silver Creek Restoration Project

Under the direction of Mayor Ronald M. Serpico, the Village of Melrose Park Public Works employees are constructing at the Silver Creek Eagles Nest Park. This is a natural preserve that will include a walking path and a pavilion/gazebo, along with a canoe/kayak launch.

Phase Five and Six of the Silver Creek Restoration Project will be completed this year.

This restoration project restores the natural balance of the creek by restoring the embankment, and bringing back native landscape and shrubbery along with aquatic habitat. This is an invaluable stream system that provides storm water runoff, flood management and many other benefits for the residents of Melrose Park.

Snow Routes

Please follow all snow route signs throughout the village streets. Please remove your vehicle from the snow route when 2 inches or more of snow falls. This will help expedite snow removal quickly.

The Public Works employees are always in full force, working to keep the village of Melrose Park clean and well-maintained. If you have a request, please feel free to call Gary M. Marine, director of Public Works at (708) 343-5128.
