

Proviso Handyman Department

November 2025

Winter is fast upon us! If you have not called to have your home winterize call NOW!

The weatherproofing is best done before the cold weather sets in to ensure the caulk or plastic covers will adhere for the winter season. Have your filter in your furnace changed to help it run efficiently. Last call for work that needs to be done on anything outdoors (lightbulbs, light fixtures, furniture put away, rain barrels, spigots cover for winter).
