NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying Schedule of Revenues, Expenditures and Changes in Fund Balances for the Zenith Opus Tax Increment Financing District Fund is intended to present the change in fund balances of only those funds of the Village. It does not purport to, and does not, present fairly the net position of the Village as of December 31, 2023, or the changes in its net position for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. Expenditures generally are recorded when the liability is incurred, as under accrual accounting. General capital asset acquisitions are reported as expenditures in governmental funds.
